School Finder is available at www.sandiegounified.org/schoolfinder

NOTES:

1. Euclid is a Crawford cluster school; however, its boundary is split at the middle and high school levels. The western portion of Euclid's boundary feeds to Clark Middle and Hoover High; the eastern portion feeds to Mann Middle and Crawford High.
2. Franklin is a Hoover cluster school; however, its boundary is an optional area at the middle and high school levels so resident students may also attend Lewis Middle and Henry High.
3. Nipaquay Elementary's boundary is split between Montgomery Middle and Taft Middle.
4. Grant is a San Diego cluster school; however, its boundary is optional at the middle and high school levels so resident students may also attend Dana Middle, Correia Middle, and Point Loma High.
